

Dear Members,

As you all know that our term is going to end effective January 1, 2020, I thankfully and gratefully want to let you know that it was an extraordinary privilege and honor for me to work with you all as a team member of the E.C. I also thank the Sub Committee who have brought Face Book in CAB. This is really another door for publicity of our Organization, CAB and I am very proud of this team's successful performance for opening this door for CAB.

I must confess that I have learnt a lot from you and your expertise, you guys amazingly talented. Our success came because of you and for any short coming (if there is), responsibility come to me.

Our team has worked very hard to achieve different things for CAB and I am glad to inform you that our Committee has broken the ground for NABC 2022 to take place in Chicago after almost 25 years, this is a remarkable job to be proud of. I thank you all for supporting this massive hard work. I must inform all of you that this was achieved with the help of Mr. Prabir Roy, Mr. Kajal Sarkar and Mr. Pranab Das. Our Committee is gratefully thanking all of them. This is a remarkable achievement for our Committee and CAB as well.

Some members of this Committee have also been elected to the next E.C. And our member Mr. Chitta Saha has been elected as President for the next Executive Committee. On behalf of our E.C. I congratulate him and assure that our E.C. Members (elected or not) will unconditionally work for the success of his elected Committee and I will personally go any length to assist him in discharging his duties as a President of CAB.

Finally, I thank all the BOT Members who have always supported our Committee to go forward. I must thank BOT Chairman Mr. Purna Bhattacharya for his unconditional support for our Executive Committee. My congratulations to newly elected BOT members.

I shall fail in my duty if I do not thank the Editorial Committee of "Sangbad Bichitra". We would not be able to publish our Magazine "PrathamPadakshep" without our Magazine Committee's help, I thank you all for helping E.C. in this project. I must mention that this Magazine concept was really an idea of our Kajal Sarkar and on behalf of E.C. we express our thanks and gratitude to him.

I must mention one person who is always working silently for CAB in Kolkata, he is our RP Chakravarty (some of you may know him), whenever I needed any help with our Kolkata account or Website, RP was there to finish the job for CAB. I sincerely thank RP and his Team with full gratitude in my heart.

I request our Executive Committee to work hard for the success of NABC 2020, my request, please set an example by becoming a "Donor or Sponsor" for NABC 2020. Your financial help will augment this mega event, our "Banga Sammelan". Milan and his team are working very hard for NABC 2020, please let us help them any way we can.

With the spirit of Merry Holidays and new year I say "good bye" to all of you and wish coming new year will bring you hope and happiness in all respect of life for all of you

Have a happy new year, 2020 with family.

With regards and thanks  
Dilip Chakrabarti.  
President CAB.
